

Canning River Residents Environment Protection Association

Join your local "Care for the Canning" working group

To enable the greater involvement of Canning River Residents Environment Protection Association (CRREPA) members and the wider community in the care and management of the Rossmoyne/Shelley Canning River Foreshore, CRREPA has divided the foreshore into five 'care sections' from Bullcreek to the Shelley Bridge. Come and join us for an hour a month.

'Caring for the Canning' areas		Volunteer Coordinators
A/B	Bullcreek to Tuscan St ▪ Last Sunday of the month	Max Risbey – 9457 1347
C/D	Tuscan St to Fifth Ave • As need basis	Diane Matthews – 9457 2896 gdmattthews@ozemail.com.au
E/F	Fifth Ave to Beatrice Ave ▪ First Sunday	Grecian Sandwell – 9354 9734 grecian@iinet.net.au
I/J	Watersby Cres to 347 Riverton Dve ▪ Second Saturday of the month	Colma Keating – 9354 9734 dinkum.results@iinet.net.au
K/L	349 Riverton Dve to Shelley Bridge • As need basis	Grecian Sandwell -- 9354 9734 grecian@iinet.net.au

Are there other times that would suit YOU better?? Perhaps we can have alternative sessions to meet YOUR needs.

****Would YOU like to be the coordinator for Section K/L??**

Call Grecian on 9354 9734 to discuss.

Weeding, planting, seed collection and propagation, rubbish removal, birdwatching, monitoring and planning are some of the activities we hope to continue within these sections.

We encourage individual, family and group (eg schools, scouts, guides, social) involvement and welcome your suggestions for other interesting ideas/activities as well as best times for your participation.

To ensure these will become regular, enjoyable social events whilst benefiting our environment, the program for each 'foreshore care section' will be determined by that group. We also believe that this format of hands-on involvement will keep us all better informed about our foreshore, its management and CRREPA's contributions.

To join a working group near you and/or along your favourite part of the foreshore, please contact the respective volunteer coordinator.

Looking forward to joining you on the foreshore!!
