The Great Mozzie Checkup!

Look around your home.

Tick the box when you have completed the action.

Change the landscape in your garden to ensure drainage of standing water.	<input type="checkbox"/>	Check for standing water around air conditioners.	<input type="checkbox"/>
Maintain sprinkler systems, control runoff and do not overwater.	<input type="checkbox"/>	Keep native Western Pygmy Perch in ponds—they eat mosquito larvae!	<input type="checkbox"/>
Repair outdoor dripping taps and leaky pipes.	<input type="checkbox"/>	Plant local native plants to attract frogs and dragonflies—they eat mosquitoes!	<input type="checkbox"/>
Keep grassy areas mowed short and remove weeds.	<input type="checkbox"/>	Empty bird baths once a week.	<input type="checkbox"/>
Remove rubbish and other organic debris that collect water.	<input type="checkbox"/>	Empty your pet's drinking water daily.	<input type="checkbox"/>
Put sand in pot plant saucers to soak up water.	<input type="checkbox"/>	Turn over boats, canoes and dinghies; so they can't fill with water.	<input type="checkbox"/>
Remove plants which store water in the bottom of their leaves.	<input type="checkbox"/>	Make sure tyre swings have holes in the bottom to drain water.	<input type="checkbox"/>
Make sure the wind can pass through areas.	<input type="checkbox"/>	Put away outside toys so they don't collect water.	<input type="checkbox"/>
Make sure leaves do not collect in gutters and downpipes.	<input type="checkbox"/>	Remove all tins, jars, tyres and other items which may hold water.	<input type="checkbox"/>
Make sure drains are clean and clear of leaves and rubbish.	<input type="checkbox"/>	Fit fly screens on all windows and doors.	<input type="checkbox"/>
Keep your swimming pool clean and healthy.	<input type="checkbox"/>	Make sure there are no holes in the fly screens on doors and windows.	<input type="checkbox"/>
Make sure pool covers do not collect water.	<input type="checkbox"/>	Check that outside lights are yellow. Insects don't like yellow lights!	<input type="checkbox"/>
