

Canning River Regional Park Volunteers (CRRPV)

2007 happenings

Purple Swamp Hen

Pelicans

January

- **Breakfast barbecue and planning meeting** at Mason's Landing.

February

- **Work Day at Litoria Fenced Site** - removing flammable debris.

March

- **Clean Up Australia Day** - with support from Stocklands Riverton Forum CRRPV members co-ordinated activity at both Masons Landing and Ferndale Park. Numerous bags of rubbish were collected, including large quantities from along the river itself.
- **Work Day at Morning Glory Site** - removal of more weeds and dry material.

April

- **Work Day at Urban Forest Site** - brush-cutting, removal of weeds, and relaying of black plastic as weed control.

November

- **Bird Survey** conducted with 69 species sighted with a total of 1055 individual birds seen.

Bird Survey covering the area from Riverton Bridge as far upstream as Greenfield Street Bridge. We were pleased to add seven more species to our records, including Barn Owl and Tawny-crowned Honeyeater. The overall total is now 96 species. The total for this particular survey was 72 species.
