

# South East Regional Centre for Urban Landcare and Phosphorus Awareness Project

## Presentation Charge Map

### FREE ZONE

If your school or community group is located in one of the suburbs in the **BLUE** area of this map then it is within the boundary of the Swan-Canning Catchment and/or the SERCUL region.

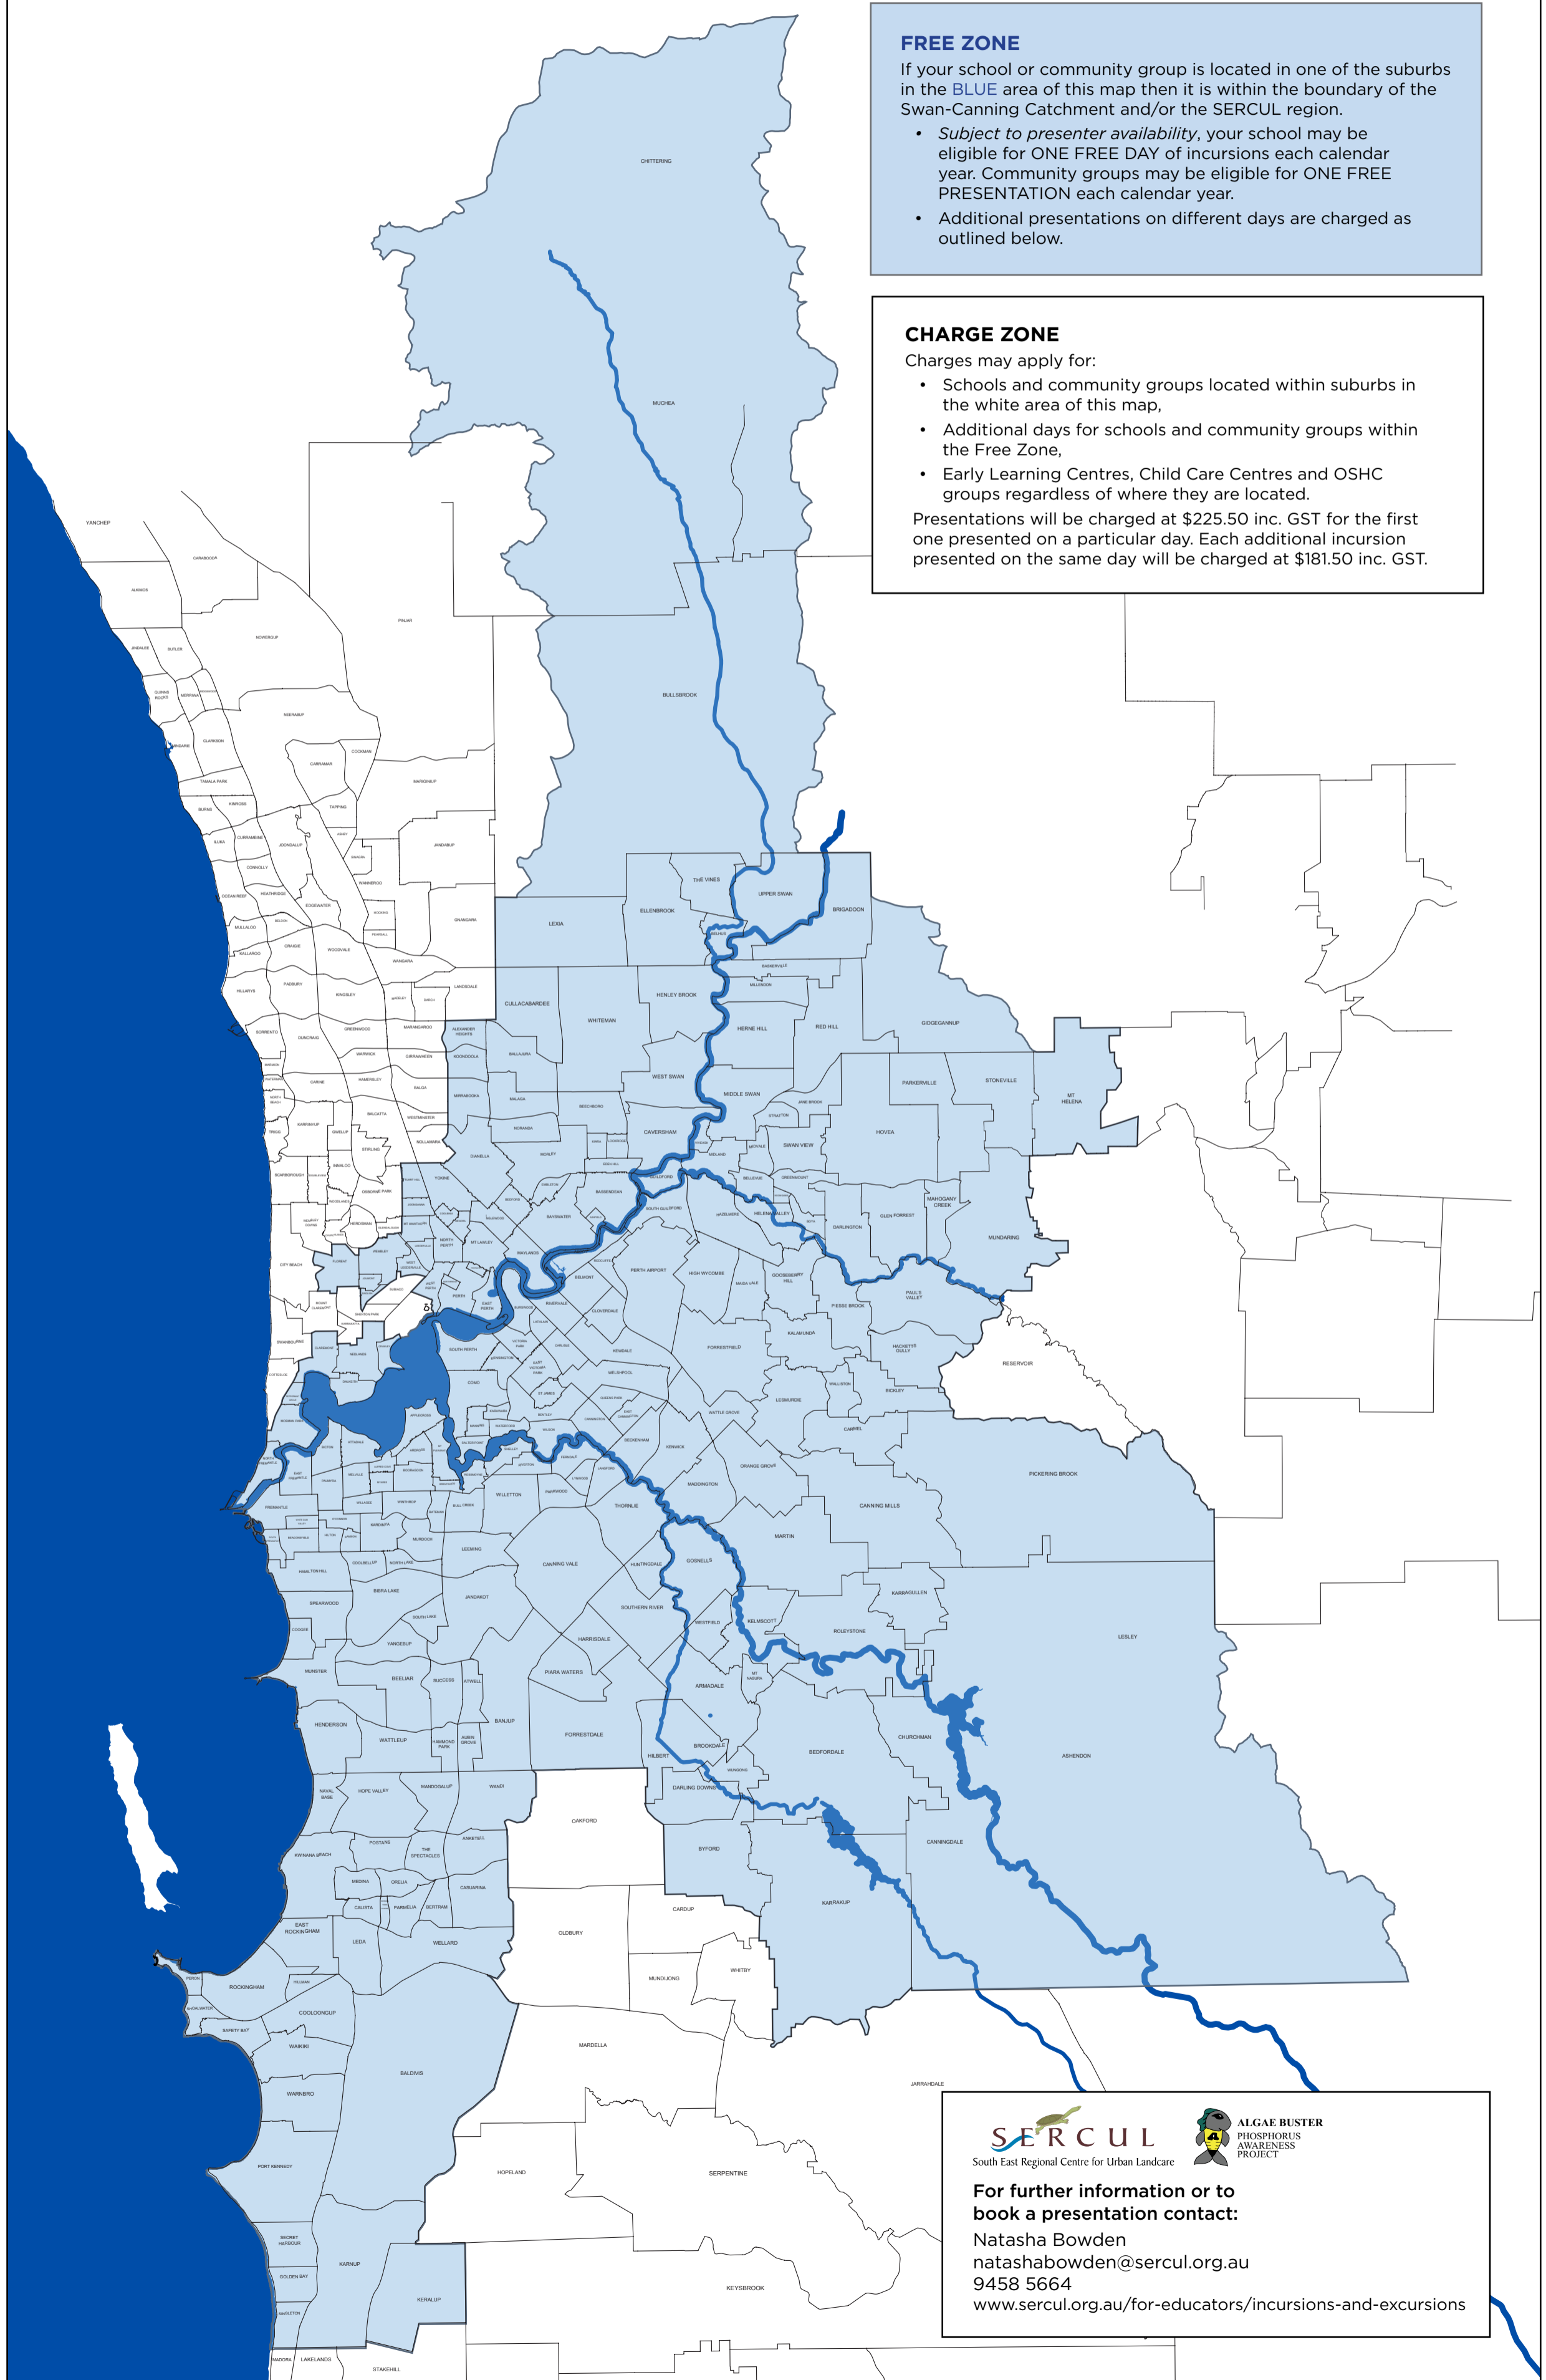

- *Subject to presenter availability*, your school may be eligible for **ONE FREE DAY** of incursions each calendar year. Community groups may be eligible for **ONE FREE PRESENTATION** each calendar year.
- Additional presentations on different days are charged as outlined below.

### CHARGE ZONE

Charges may apply for:

- Schools and community groups located within suburbs in the white area of this map,
- Additional days for schools and community groups within the Free Zone,
- Early Learning Centres, Child Care Centres and OSHC groups regardless of where they are located.

Presentations will be charged at \$225.50 inc. GST for the first one presented on a particular day. Each additional incursion presented on the same day will be charged at \$181.50 inc. GST.
